Served with love

The Agape Café intends to share God's love (Agape) with our local community and aims to offer a warm welcome in a relaxing atmosphere with affordable food and drinks to anyone passing by. Our staff are volunteers from the church and local community.

We believe that God loves to answer prayers and we have seen Him answer many – as healing from sicknesses, financial breakthroughs, relationships restored. So if you have any needs, you can write them down and put them in the Prayer Box. You can also ask for prayer from one of our staff. If you want to spend some time in a quiet place, you are welcome to sit with God in the worship area. If you would like to know

more, there is some literature on the front table which is free and you are welcome to take it with you.

We would love to know how you find the Agape café. Feedback forms are available and we invite suggestions of how we can improve our services or change our menu.

If you would like to join our team of volunteers for couple hours a week, you would be most welcome. As to feedback forms or info about volunteering, you can speak to one of our café staff.

We hope you enjoyed your time with us.

Thank you for coming! 😊
